## GOODWILL TRUST

Reg: No. 2848 / 06

### VISION:

We would like to create a society with higher level of literacy and health care services through comprehensive developmental programs.

### MISSION:

- To conduct educational activities for the needy people.
- To offer various training programs for the Children and Women.
- To organize Awareness programs with special focus on Environment Issues.
- To take special care of the destitute women and children.
- To make the people aware of their rights.
- To revitalize the cultural arts and folks.

### SETTING UP OF AN ORPHANAGE

- :: The destitute female children who do not have their parents and relatives will be admitted.
- :: The best possible education will be taught to them
- :: Conducive atmosphere will be created for their happy living
- :: The management will be responsible for the children basic needs like food, accomodation, education and employment etc.,
- :: Due impotence will be given to the children from hills area especially the tribal's

### RESOURCE CENTER FOR CHILDREN

for children Identifying the Latent talents of the children by means of conducting various events like Sports, Arts, etc.,

Encouraging them to increase their personal Attitude and skills  
Guiding and supporting the youngsters to enhance their Leadership Potential

::

### Future Planes

- :: Setting up of an Orphanage
- :: Resource center for children
- :: Environment aweranness program
- :: Training program for women
- :: Community development program

### Volunteers

The students from the Schools, colleges, the members of SHG and the youth who can spare their time are volintering to organise the seminors and other programes.

The interested candidates who can afford to spare their valuble time in this noble cause can register their names with our trust. This will further enhance our interest to surve the society that needs the helping hands.
